## **DETAILED ACTION**

### **Non-Responsive Amendment**

The timely submissions under 37 CFR 1.129(a) filed on March 14, 2005 and April 20, 2005 are not fully responsive to the prior Office action because it is unclear which response the Applicant would like the Examiner to respond to. The Applicant submitted a response on March 14, 2005 with no amended claims, and on April 20, 2005, the Applicant submitted another response with amended claims. The Applicant should make clear which of the responses is to be responded to or if both responses are to be responded to. The Examiner notes the request for Revocation Power of Attorney filed on June 27, 2005. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).

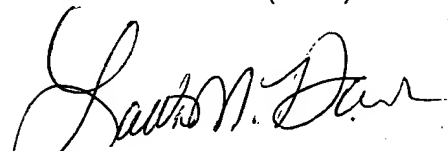

### **Conclusion**
